Dear Community Supporter:

The Dr. Martin Luther King, Jr. Committee of Las Vegas is a nonprofit organization committed to keeping Dr. King's dream alive in our communities through unity, equality, justice, and brotherhood. The 2023 theme is **"Living the Dream: Setting New Standards."** We are looking for community supporters and sponsorships to assist in our efforts. We are planning our 40th Annual King Week Festivities. The committee continues to be committed to giving back to the community, and with your sponsorship we continue with our endeavors. The Committee was founded in November 1981 with the concept of celebrating the legacy of Dr. Martin Luther King, Jr. by keeping his dream alive. As advocates of Dr. King's dream, we are focusing our efforts on rebuilding; and how we may better serve our communities; striving for positive changes to ensure that the dream becomes a reality.

The Committee has hosted the Annual King Week of Festivities for 41 years in the Las Vegas community. The Committee host the largest parade in the State of Nevada, an annual scholarship banquet with proceeds from the banquet going to scholarships for area high school student, the Young Dreamers award ceremony where students of the Clark County School District named after national, state and local African Americans are honored. In January 2022, during King Week we started our Mid-Year Back to School Drive where we collect school supplies and donate them to area schools to ensure that our students continue to go to school equipped with the necessary supplies they may need to complete the school year just as they began...**PREPARED** and ready to learn. King Week also includes an Interfaith Service held at a local church with local clergy and community leaders reflecting on Dr. King's dream and how it is impacting today's society.
